

Customer Visit Report

MM-IN-RD-9100-P06-04

Rev: 1

Customer : YAGEO China		Prepared by : Siva		Date : 15-Nov-11	Time : 2.00pm
Participant From Maruwa		Participant From Organizer		Report To	
1. Mr Kojima	Sales - GM	1. Ms Vivian	Engineering	1. Mr. Anthony	EA
2. Ms Mavis	Sales - Manager	2. Ms Vivian Ding	Purchasing Supervisor	2. Mr. Ogawa	MD
3. Mr Sukenari	JP Substrate - GM	3. Ms Belle Liang	Purchasing Manager	3. Mr. Seenii, Mr. Naga	GM
4. Mr Mori	JP QA	4.		4. Mr. Sinna, Mr. Udo	Production
5. Mr Siva	MMSB Qa	5.		5. TOP Management	

Agenda

1. Meeting started at 2.00pm at YAGEO China Meeting Room

2. EV12 sample status

1st sample of 600pcs accepted

Request for 2nd sample of 600pcs. Purpose of 2nd sample is they wanted to test on new paste. Yageo also requested us to use BIAS 20

Sample shipment from Japan Maruwa on 25/11

Sample RANK Table

RANK 34 ~ 35 RANK 63 ~ 67 *YAGEO also requested us to check on the inner dimension

RANK 43 ~ 46 RANK 75 ~ 76

RANK 53 ~ 57

We also propose to use EV sample same as RALEC where the 1st slit is fully covered. This product also will be shipout on 23/12 with quantity of 400pcs. This sample also will be using bias 20micron

Abnormal Lot status

Product	Defect	Quantity	Status
YC124	Inner dim	20000	Return - can't shift rank
YC125	Inner dim	6000	Use by Yageo - shift rank
YC126		0	Return - 728pcs
YC127		0	Return - 1040pcs
YC128	Inner dim	1500	Return - can't shift rank

CYA Sample Status

CYA sample shipout to YAGEO on 11/10 for 1200pcs

Sample 1 - 600pcs

Sample 2 - 600pcs

Details - Slit Line Shallow (Bottom Slit)

Details - No bottom slit

Compare to the bottom samples, they accepted the shallow slit line due to quality improvement

Requested additional 10kpcs for further evaluation. The sample need to include the BIAS calculation as well. Feedback that the 1st sample rank have shifted from

Sample #1 Rank 32A ==> Rank 43

*request to check back the BIAS value & ranking

Sample #2 Rank 45A ==> Rank 46

8D reports

2 8D reports have been rejected due to the report lack of certain information

i. Effectiveness of countermeasure

ii. Effective lots since the re-occurrence of same failure

Reports that rejected => T504-4RA (Claim No YC111108)

EV12 -4 (Claim No YC110907)

Pending 8D reports for submission

i. M20110907 - YA2512

ii. M20111019 - YC164 (T504-4RA)

All the 4 reports need to be submit to YAGEO by 25/11

QA meeting adjourned at 3.45pm to proceed with delivery meeting with Mr Sukenari, Mr Kojima & Ms Huang

Delivery & Quantity

Discussion held with Mr Kojima, Mr Sukenari & Ms Huang on discounts & market status

Meeting Adjourned at 5.00pm

Conclusion & Opinion

1. YAGEO requested us to improve especially on the dimension issue. Currently they are confirming the inner dimension as well and failed detected when they measure. The effectiveness of the countermeasure also not clear and they need to know the effectiveness.
