Maruwa: Rosli

Agenda

1. Introduce myself as new Maruwa window. Last visit by Mr. Tony was May-2012, and Mr. Lai had communicate with Ms. Lek for the appointment.
Previous PIC Ms. Rattana was resign in Jul-15 and job taken over by Ms. Lek. Both persons does not have any direct contact with Maruwa. We have been loss communication and last order received was Jan-2014. Mr. Amnuay said he was un-happy with the communication breakdown.
2. Mr. Amnuay clearly highlight that reason order was discontinue due to Maruwa high price US\$1.65 PJ35G. Mainly Karat shifted to China Delica given better price. Unfortunately he don't want to mentioned Delica price and Karat target price to Maruwa. Mr. Amnuay request for new price reduction proposal. Mr. Amnuay expecting cost down quotation by next week 14-Aug so we can start to negotiate new business.
3. Mr. Amnuay also asking if Maruwa be able to supplier to China if Karat have factory /OEM in China. My reply yes, as long the order coming from Karat Faucet (T) and we should have no problem to ship to Karat Factory/OEM in China. As Mr. Lai last communication with Ms.Rattana, Karat have OEM project in China for China market which current buying from Germany supplier.
4. Mr. Amnuay also request Maruwa to up-date any new model been develop for them to consider as new project.
5. Karat Faucet factory located in Saraburi, nearby Cotto and Toto.
