N.L Sanitary Fitting
Mr. Prasit Pimpaporn purchase_pw@nl-sanitary.com

Maruwa (M)
Rosli Ahmad
Mr. Lai

Agenda

1. Introduce myself as new window for Maruwa.
2. N.L. Sanitary order record as below. Since Ms. Pornvenus Wattana resigned 2 years back, Mr. Prasit taken over the job. Without knowing Maruwa PIC, he had ordered 2 times to Paijo (PJ Trading). Mr. Prasit agreed to order to Maruwa for next order. Base on the order usage order only once/year with 2-3K/year both PM25G and PM35G. Next order should be coming soon and Mr. Prasit will check stock level and I will follow-up with him.

Supplier	Product	Price	ETD M(M)	Quantity	Usage/Year
Maruwa	PM25G	US\$1.45	Apr-2013	2,400	3,000
Paijo	PM35P	US\$1.50	Jul-2013	2,400	3,000
Paijo	PM25P	US\$1.45	Sep-2014	3,000	

*We need to inform to Paijo (PJ Trading) not to sell directly to Thailand customer including Cotto.

3. Single valve 1/2" & 3/8" they using copper cartridge from China. Mr. Prasit mentioned price both product almost same US\$0.80. BUT I Think it should be around US\$1.25 for 1/2" and US\$0.80 for 3/8" copper cartridge. As Mr. Prasit request 5pcs sample of G1/2"-90WS & G1/2"-90RS when we mentioned price about US\$1.25. Mr. Lai will send sample within 2 week time for cycle test and need to follow-up result after 1 month (Oct)
4. Mr. Prasit work about 3 years. N.L Sanitary have 300 workers, 30% workers from Myanmar and Cambodia. Local Thailand market 70% and Oversea market 30% (ASEAN region). N.L Sanitary is local Thailand owner over 40 years. Current brand name is "Hang".

Agenda

1. New price quotation follow-up US\$1.4500 for 25Ø, 35Ø and 40Ø. Ms. Lek request another 3% discount, but I rejected because She already show interest of giving new re-start order. Reason given that Maruwa given package same price for all size and additional printing cost US\$0.03 "Karat Faucet" on cartridge were not counted (basically no Karat bear additional US\$0.01 printing cost. As today meeting they agreed to put re-start order by next week 4-Sep. She mentioned of PM35G 1Kpcs, but 1 request min Quantity of 3Kpcs with 2 type of product. Continue follow-up new p/o with Ms. Lek.
2. 1/2" copper cartridge from Flush Germany with monthly usage 5K/month. Mr. Pongthep request sample 5pcs each for G1/2"-90WS and G1/2"-90RS for turn test purpose. Also Ms. Lek request official quotation (1/2" copper cartridge big type) which same design with Maruwa 1/2" plastics cartridge. Mr. Pongthep also shows 3/8" copper cartridge (small type) from China, different design with Maruwa 1/2" plastics cartridge.
