Agenda			
Meeting started of with explanation of SOLARS implementation failure Maruwa failure and action plan have been explain thru attach file. Generally Walsin believe Maruwa shouldn't add in container weight with the product Items discussed is a. Request to implement in system where in future sytem wiill alert b. Any changes need to get prior approval before provide sample to Walsin to confirm QUALITY DISCUSSION Main product to be focus by MARUWA is 7910M Explained that MARUWA have submitted sample but failing. As per discussion with WAL SIN Donguan, will cross check wiith KAMAYA to understand the process PIC: Ms Kelly Meeting adjourned: 12:15PM			
Conclusion & Opinion			
Ms Kelly commented that this implementation should be done in more professional way and this have indirectly effected WAL SIN reputation towards China Customs.
