Dear Datuk Anthony,

I am writing to report to you about a business trip in KL today.

-Lorenzo is a chain of furniture shops. They have many brunches.

A staff told us to contact HQ directly. Because they do not handle their purchase department. We will try to contact to HQ.

-Casa Bella Designs is a small teak furniture shop. They do not have any lighting and did not want to have lighting in their future.

-H.O.S in design is a lighting company.
We could not find the shop.

-XZQT is a furniture shop in 1 Utama shopping center.
They have nice furniture and lighting.

Ex: The Lighting price is about RM10000. I think our products are very fit there.

We gave our catalog to a staff. He told us to give it to their manager. If the manager is interested in our products. They will contact us.

-CELLINI is a furniture shop in 1 Utama shopping center.
They have nice furniture and lighting.

Ex: The Lighting price is about RM10000. I think our products are very fit there.

We got a phone number of manager in the shop. Even though we tried to contact to him. The phone number seemed out of range. But we will try to contact HQ.

Kind regards,
Murano
