

SOHELP BRIEFING REPORT

1. DETAILS

DATE : 16.7.2018 & 17.8.2018

DAYS : 2 DAYS

LOCATION : NIOSH BANGI

2. DESCRIPTION OF BRIEFING

In line with OSH MP 2020 , Department Of Safety and Health are working out to get Hygiene scope to mainstream. This is because the trend of Occupational Health and Ergonomic problem are in the rise. This briefing is to expose new SoHELP third phase participant how to implement the program and improve workplace condition in 3 areas, Noise, Ergonomic and Chemical safety and health implementation. Maruwa is selected as one of the third phase participant and will report to DOSH according to schedule.

3. CONCLUSION

This program will benefit Maruwa in terms of assistance toward compliance and within one year they will not issue any NOI (Notice of Improvement) depend on the non compliance issued.
