Overall Workshop Experience:

I was very pleased with my workshop attendance and felt it was worth the registration fee and travel expenses. I gained valuable experience that can be implemented in our organization. The networking experience was very beneficial. The workshop was very organized and the speakers remained neutral, making the information extremely valuable and two way communication. I was very pleased with all that i received at Hotel Istana and. I was very pleased with all that i received at Hotel Istana and hope to attend a future workshop.
